There was indeed a reason to celebrate. A week-long festivity (October 24-28, 2016) where everyone was enjoined to have FUN, BOND and SHINE

We' have opened the doors to your future,  
We have let you dream, discover and explore.,  
We have led you to the road of success.  
For 35 grateful years we've been part of a child's milestone.

SO GRATEFUL FOR SO MUCH. Nothing can be more befitting than starting our celebration with a Thanksgiving Mass.
